

SCALABLE TOOLKITS

At *Stop Meeting Like This*®, we believe that work can – and should – be both joyful and productive.

Support, scale, and sustain collaborative transformation across your organization with the proven best practices in our easy-to-use playbooks and toolkits.

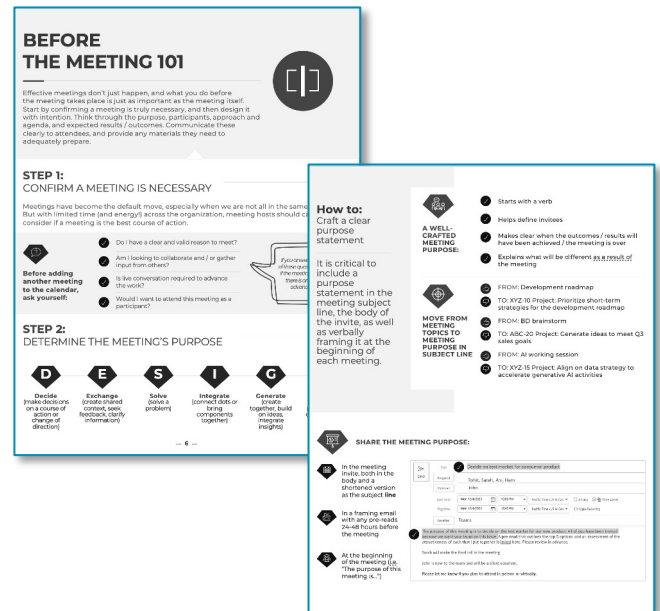

WHAT'S INCLUDED

Stop Meeting Like This Toolkits equip the entire organization to collaborate in ways that energize and advance high-priority work.

Each toolkit contains:

- A detailed playbook with step-by-step instructions for putting better norms and practices into action
- Videos explaining the “why” behind the recommendations
- Checklists to enable everyday implementation
- Tip sheets to deepen understanding of priority topics

AVAILABLE TOOLKITS

MEETING MASTERY

An in-depth look at the before, during, and after of effective meetings for leaders and participants

WORK PRACTICES

How to upgrade meetings, find and utilize focus time, and master asynchronous collaboration to achieve results efficiently and effectively

INDISPENSABLE ADMIN

Activate these critical time stewards in your organization with best practices for calendar and meeting management
